

It was just like I always imagined...  
like all of my dreams

Mom was out of the house...  
it was just her and me, alone

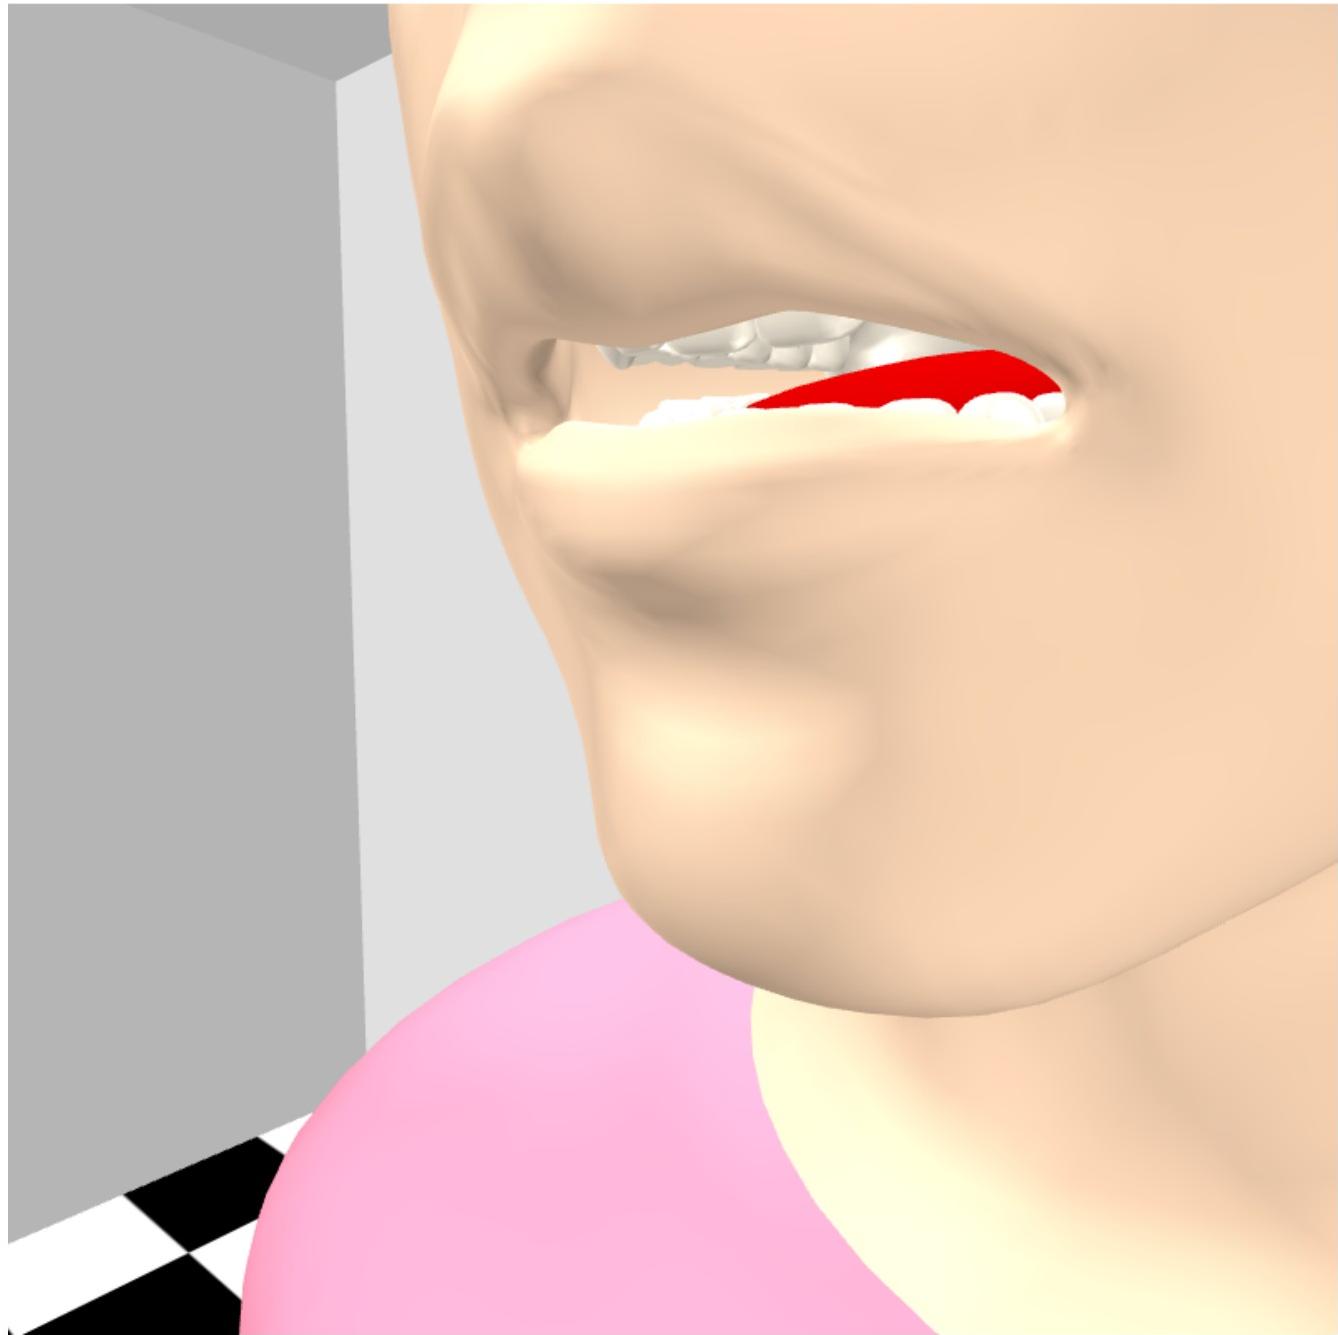

**and it was my birthday**

She cut so sensually

As I watched her, my heart beat faster  
I wished the cake were my body

Wait...

Something's different

# Something's wrong

something's wrong something's wrong  
something's wrong something's wrong  
something's wrong something's wrong  
something's wrong something's wrong  
~~something's wrong something's wrong~~

I couldn't hear the scream

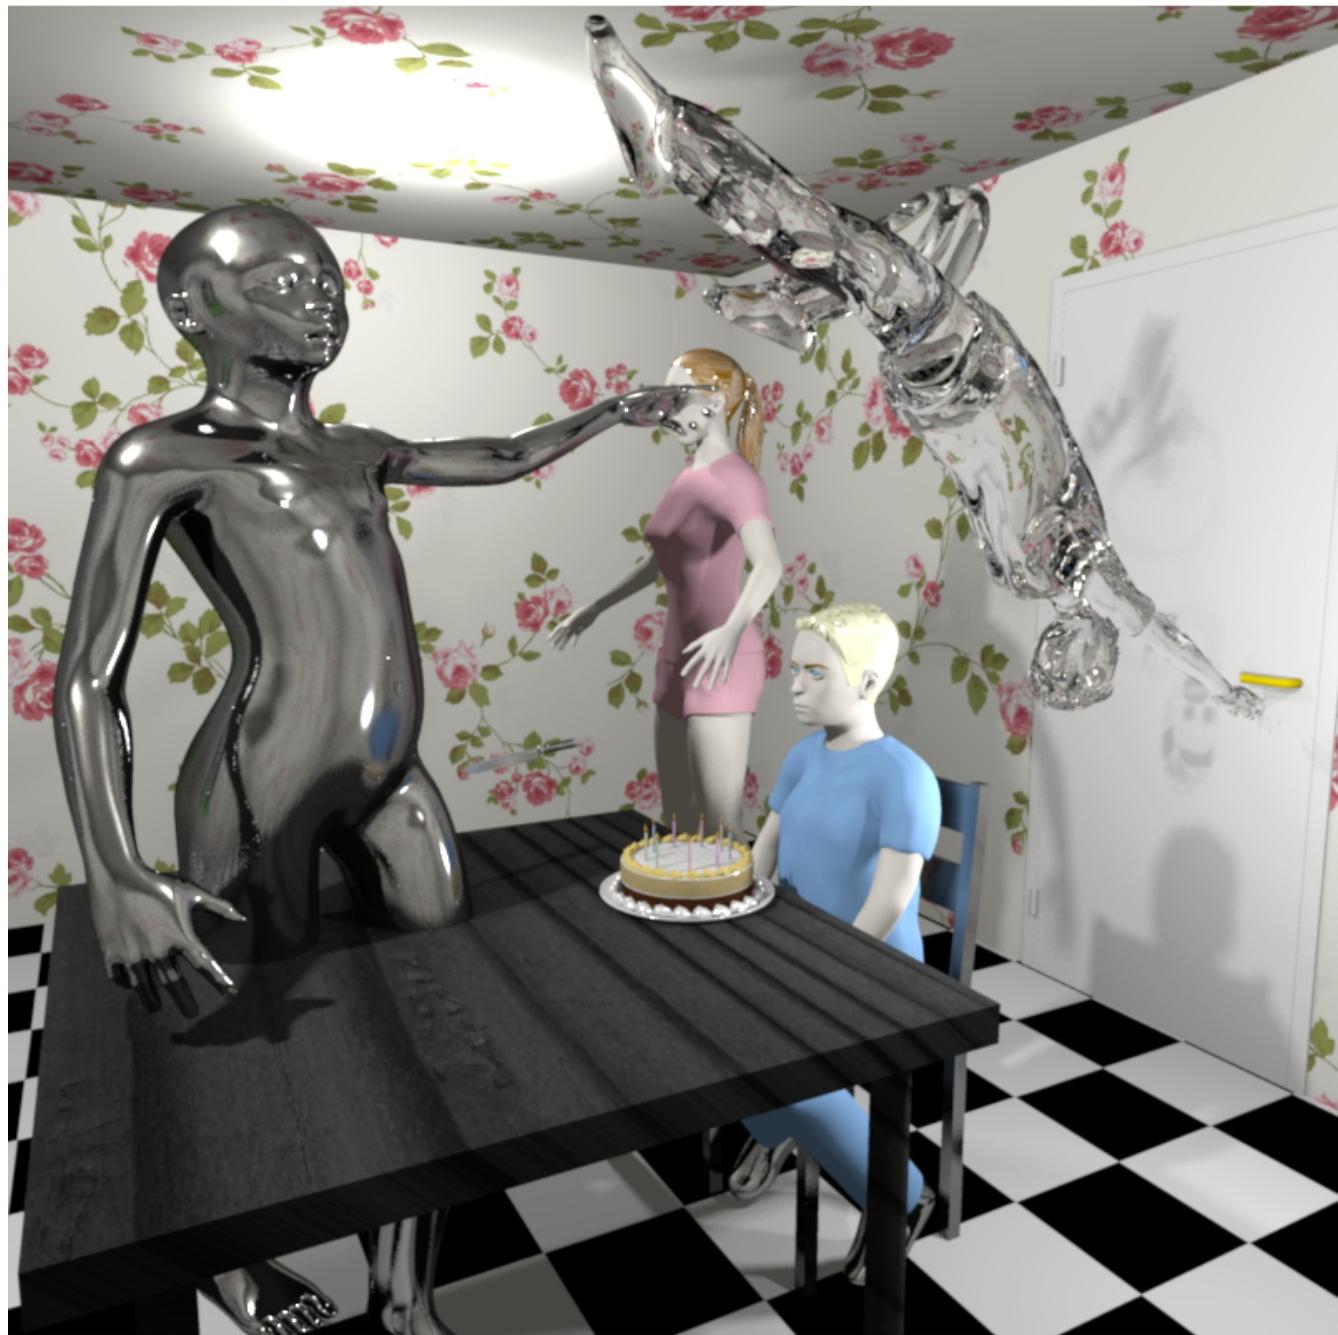

I couldn't move,  
body paralyzed  
I felt myself drifting backwards

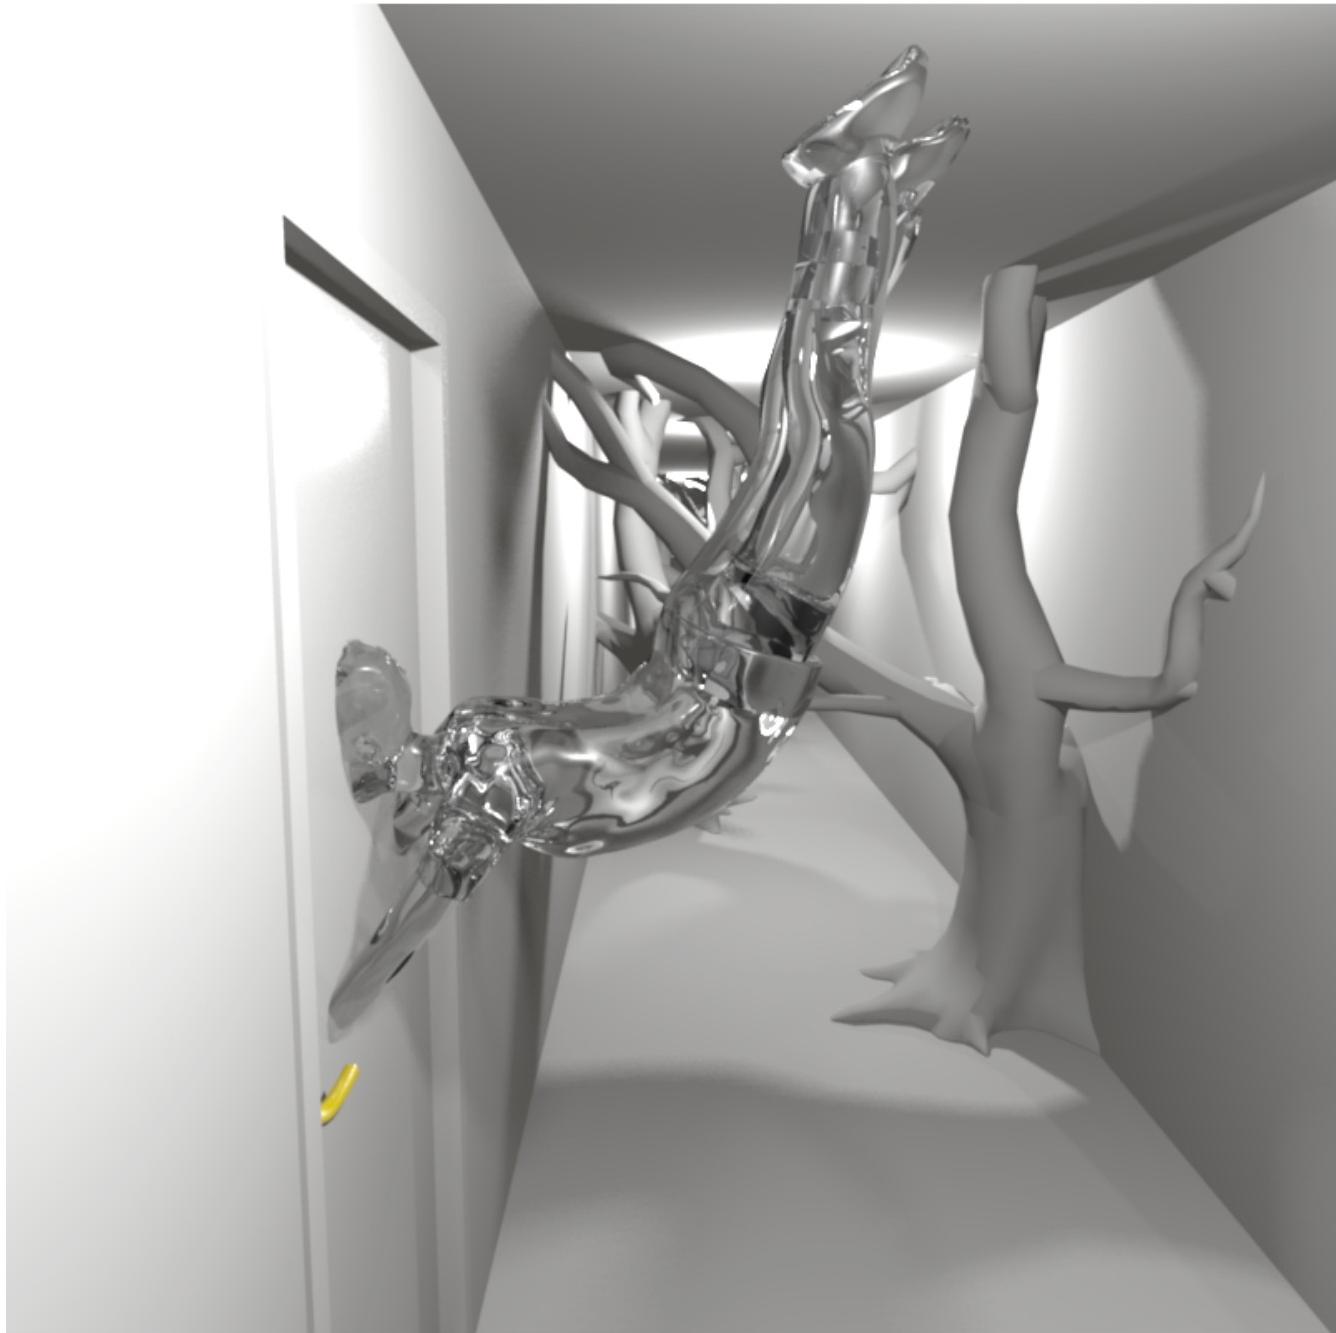

the door

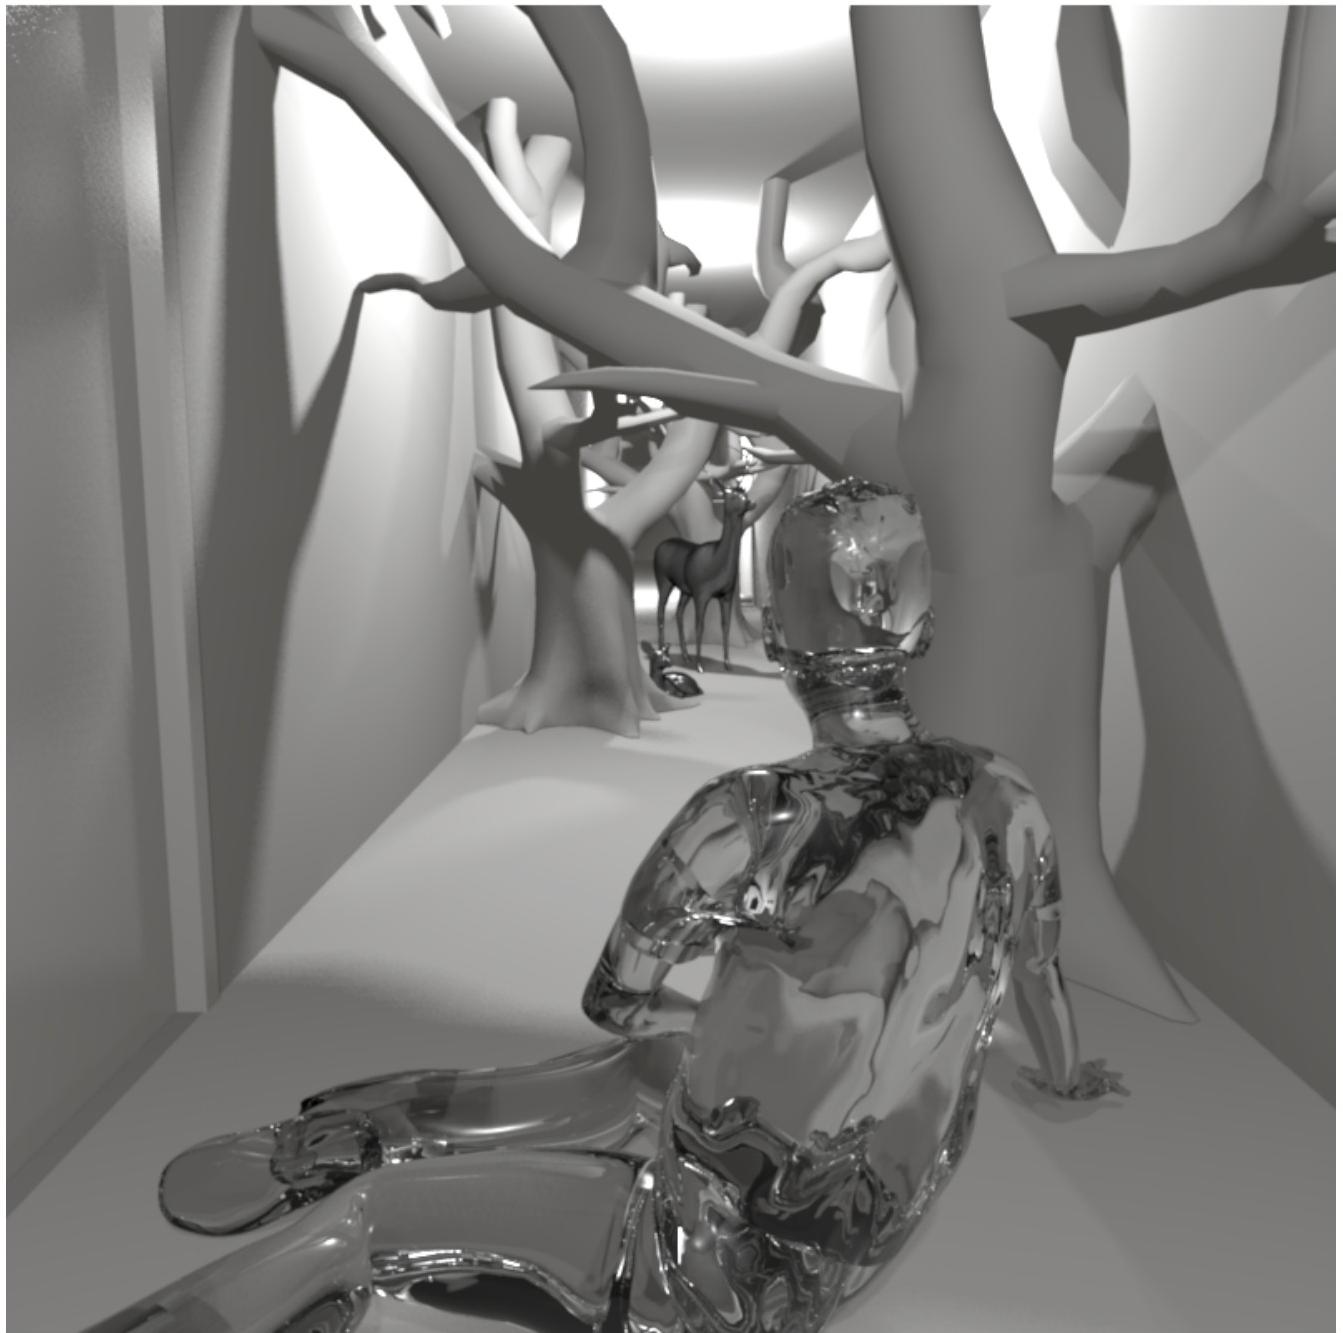

get to the door

I passed through  
like empty air

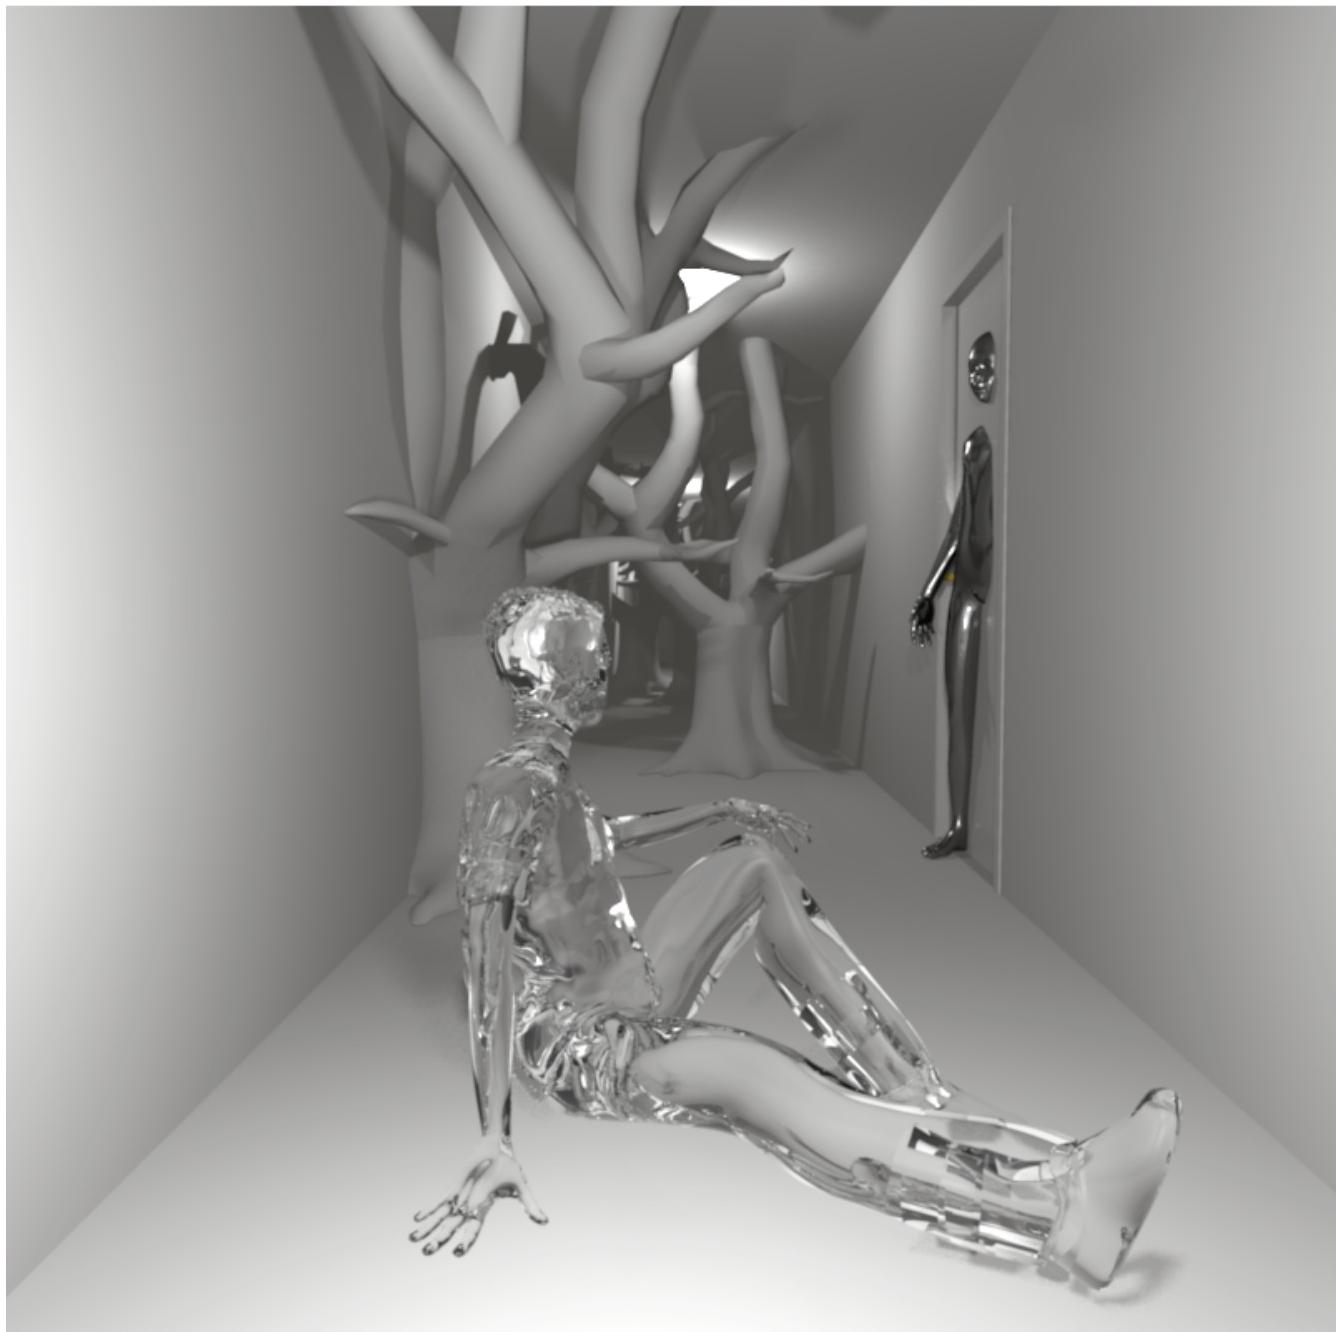

I'm sorry mom

please come home

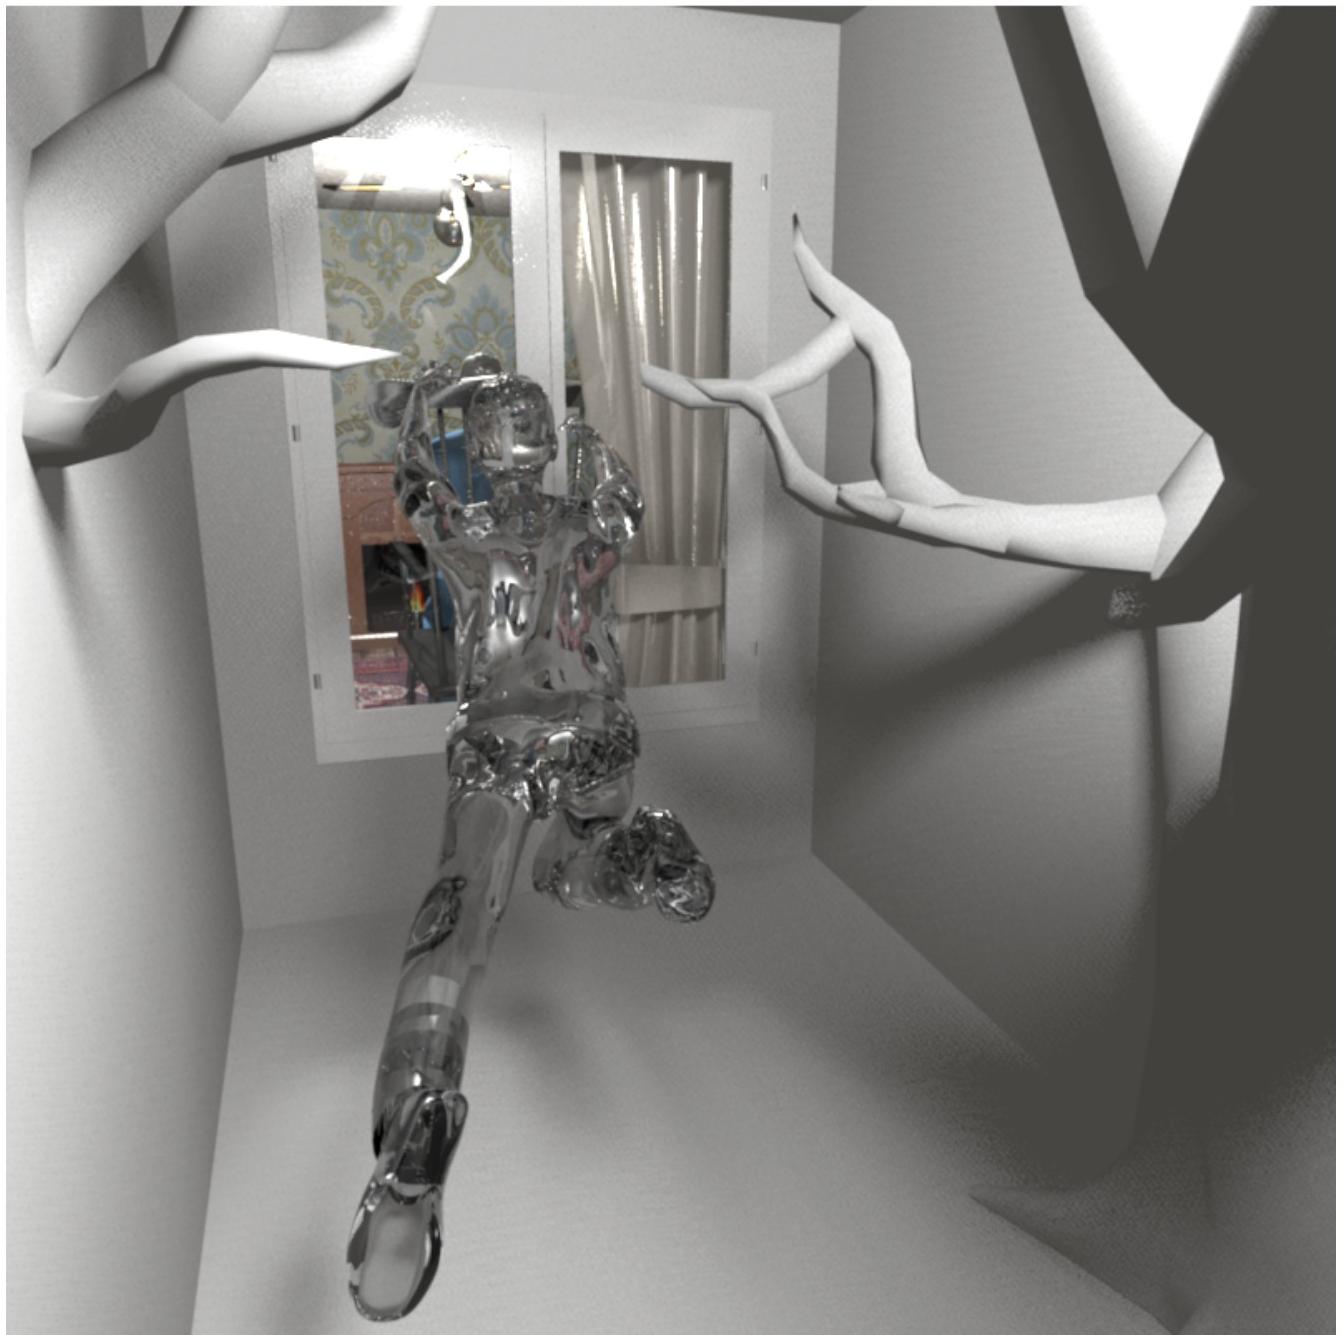

oh no

no  
no no no no no no no no no no no no no  
no no no no no no no no no no no no no  
no no no no no no no no no no no no no

The hallway ended  
I leapt for the window

as I passed into the man's body  
the air thickened like honey

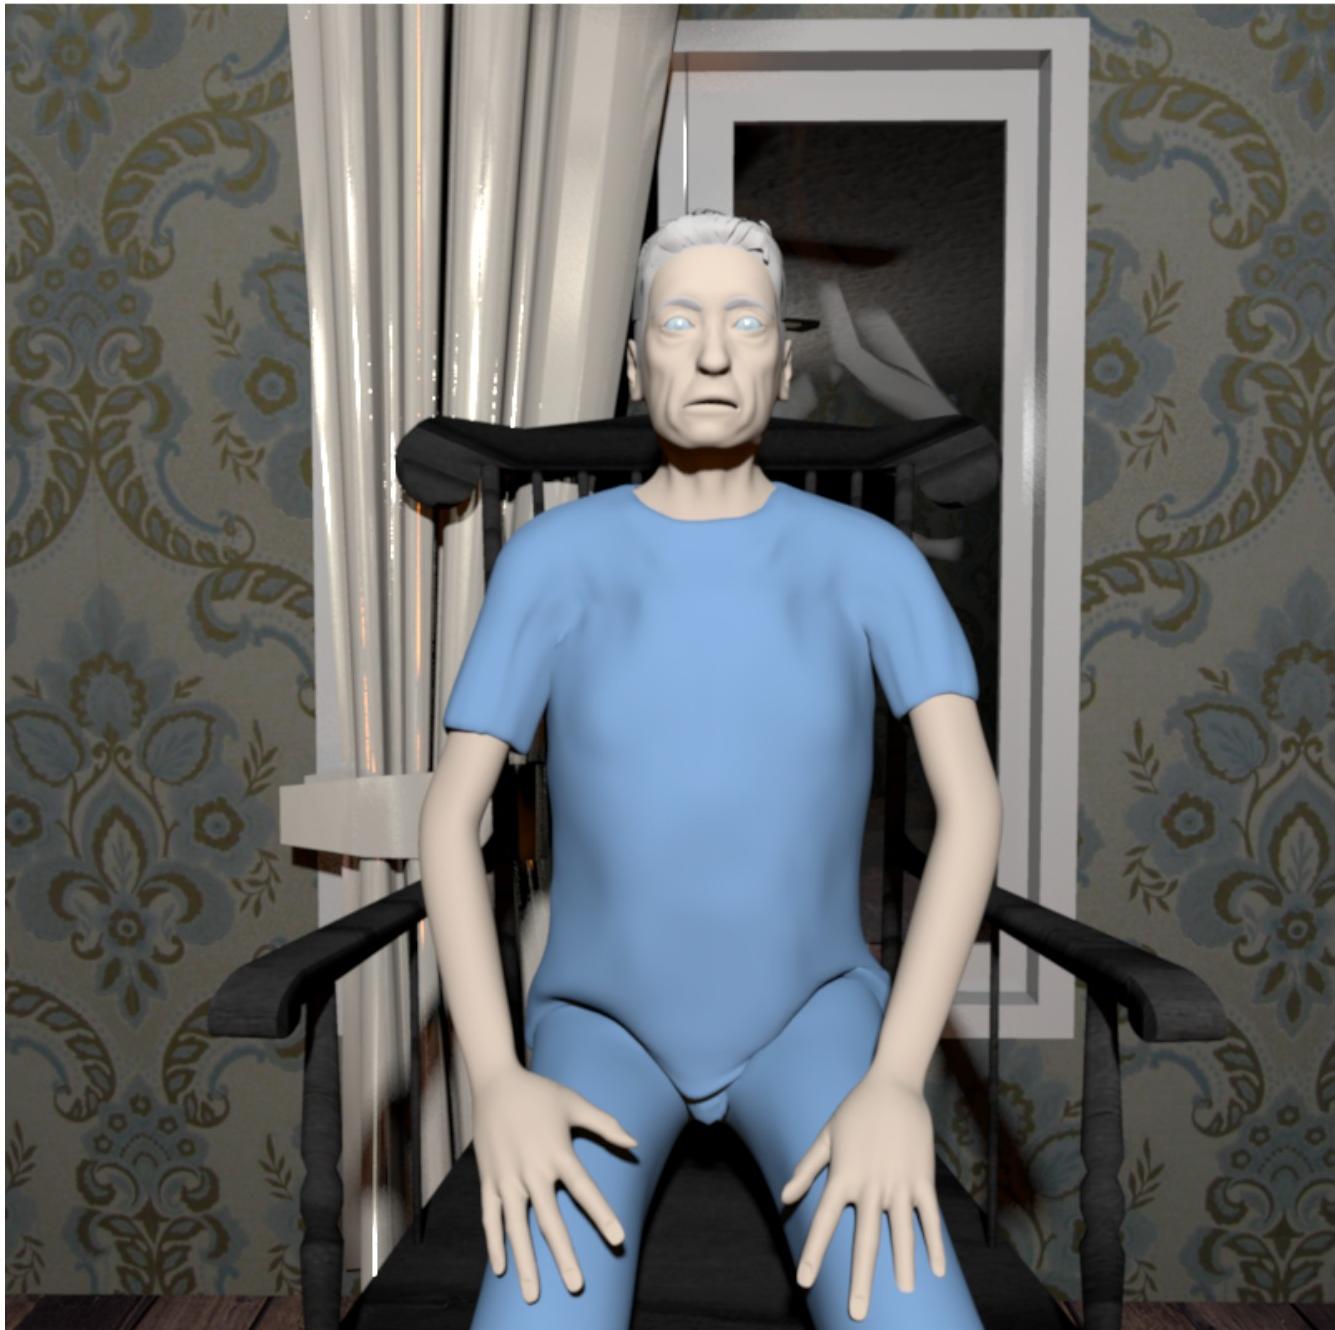

caught like a fly  
I gasped for air  
with an old man's lungs

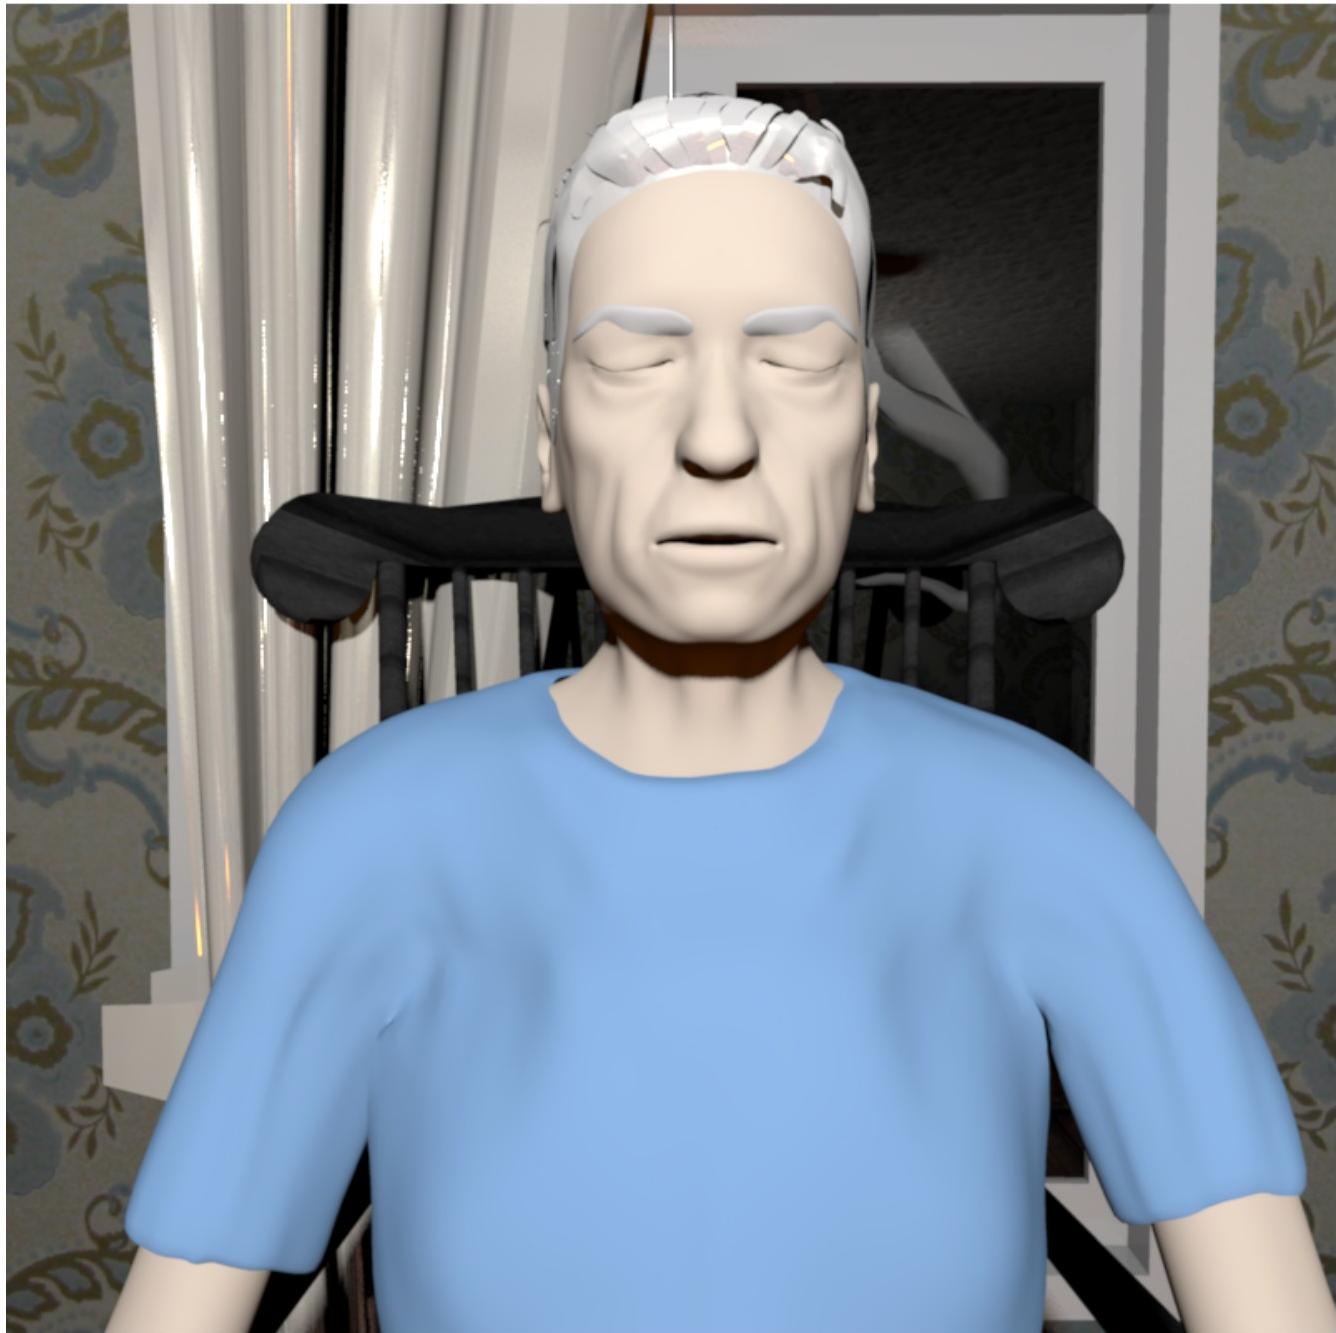

Wait... is this me? Is this my body?  
How long have I been sitting here?

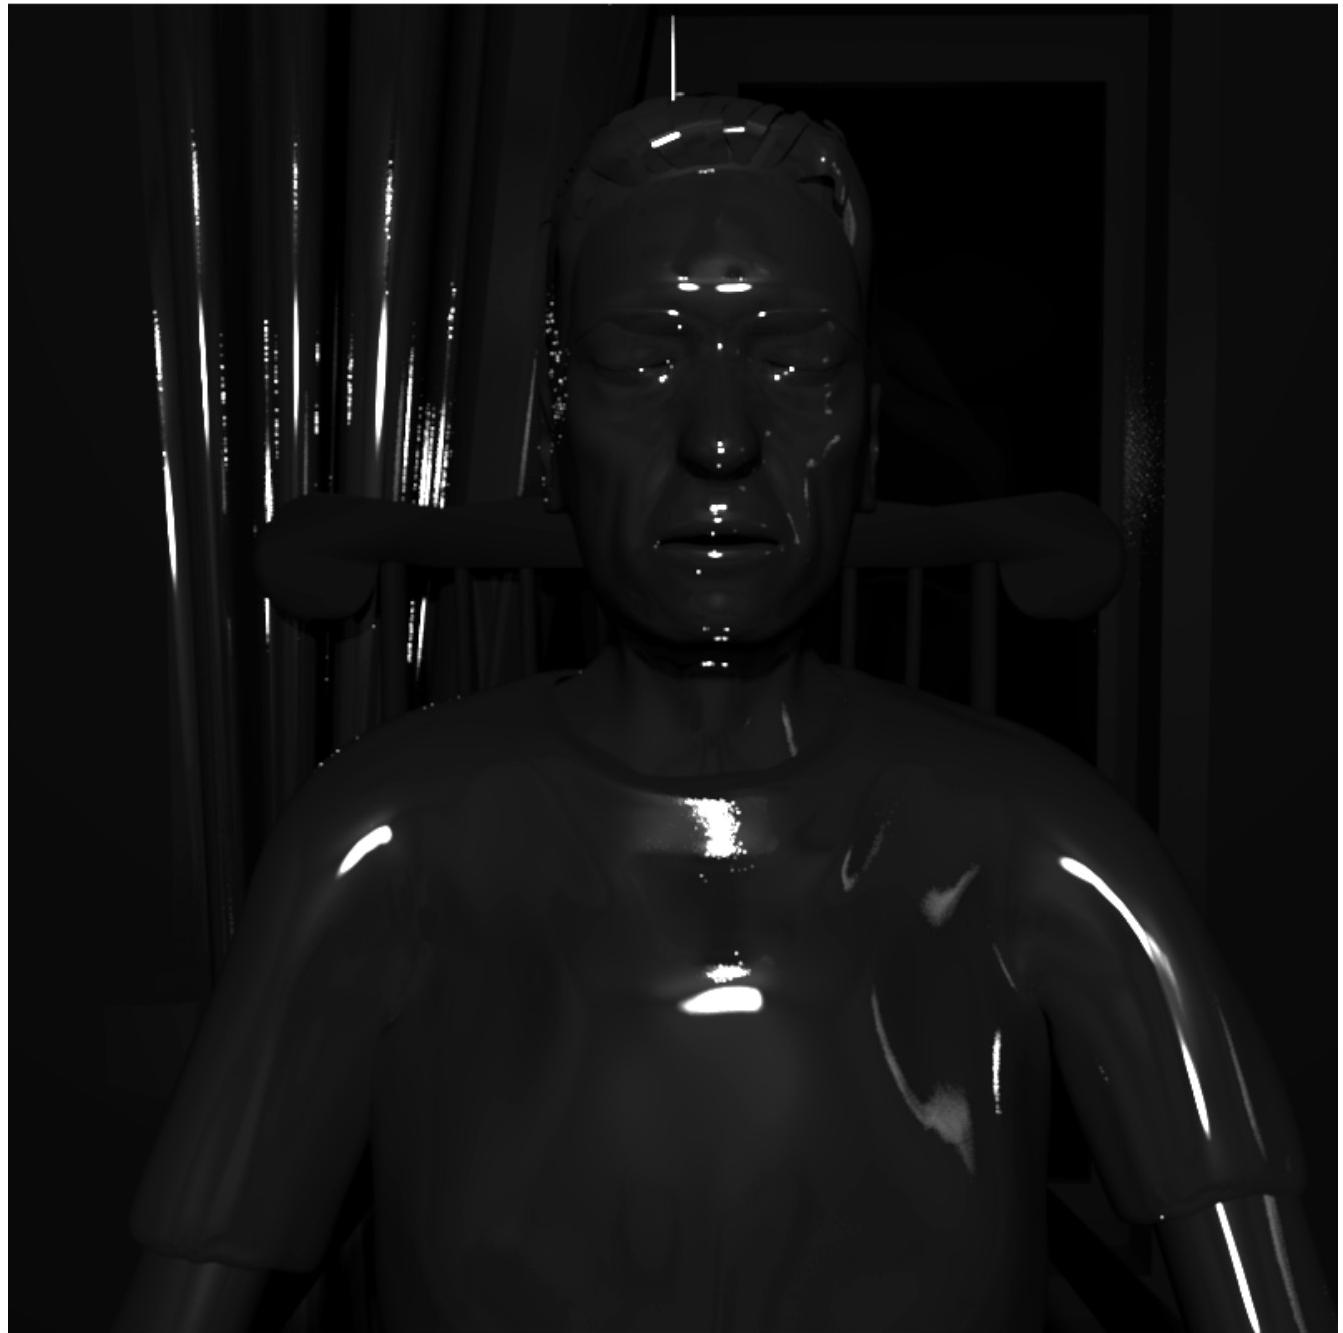

No. This can't be right.  
How can I be old? I can't remember  
Why can't I remember my life?

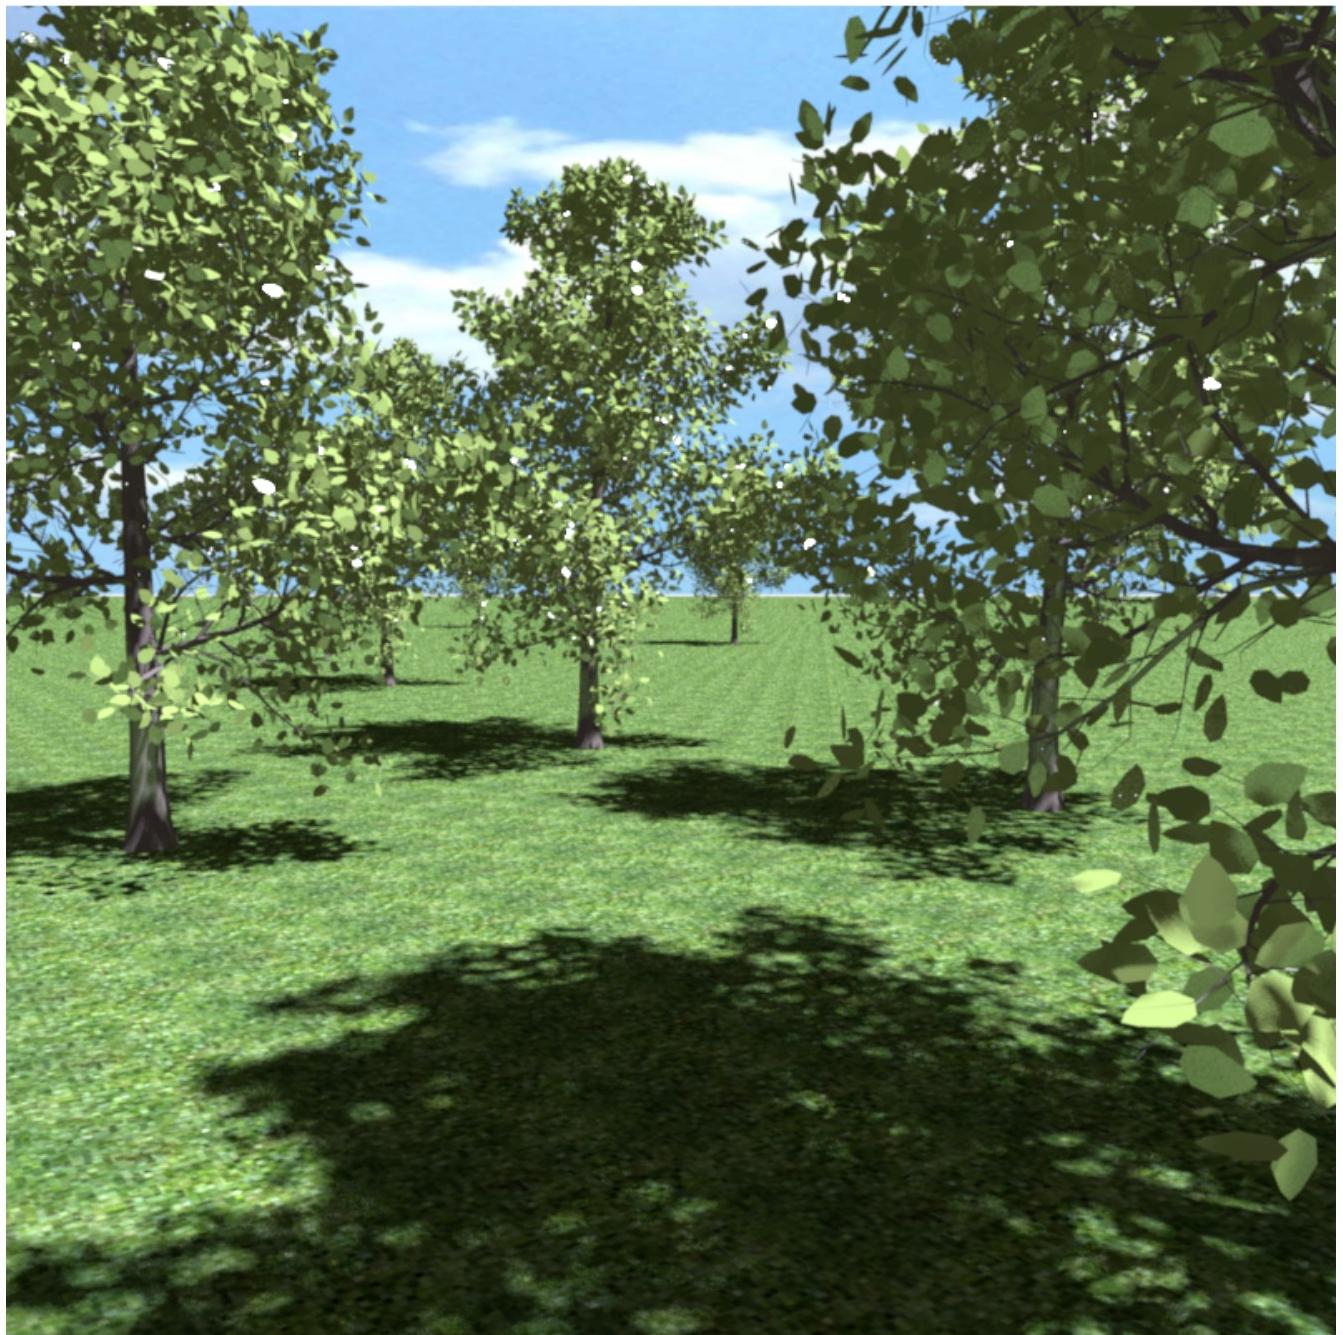

Maybe if I close my eyes  
Maybe I can exit this body too

block out everything  
leave this body

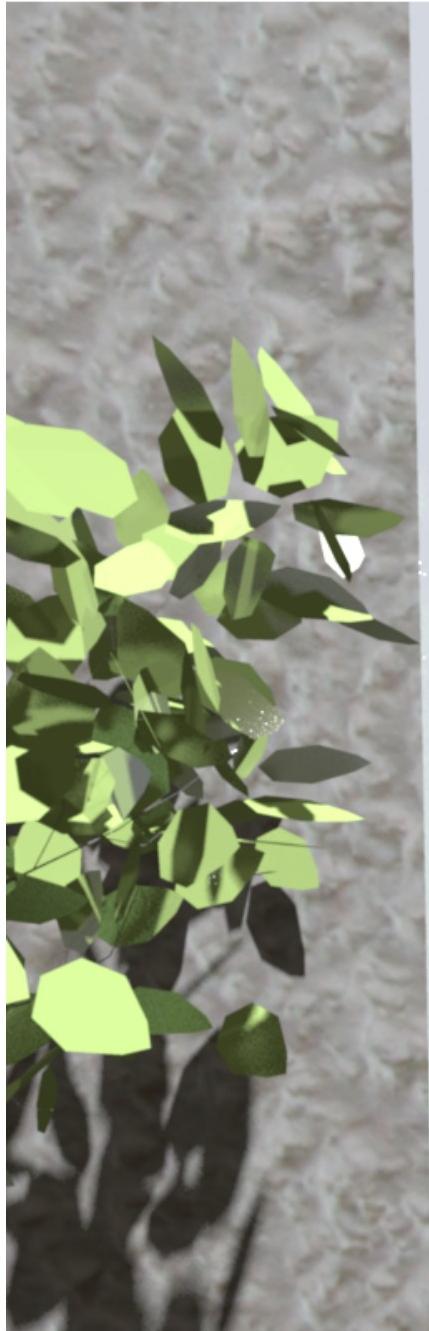

I see a lush green forest  
I'm moving through the trees

As I get closer,  
I become more and more certain

I'm finally home

she's so beautiful  
but my fingers pass right through
